Annual Conference on Occupational Health & Safety

SUSTAINABLE SAFETY PERFORMANCE: DRIVING VALUE TO BUSINESS

Like Quality or Customer Service, Safety is one of the most important elements of organizational culture. Organizations should create a Sustainable Safety Culture, that embeds Safety as a Core Value. Reinforcing values cannot be accomplished without support from the most senior decision-makers.

This Annual Conference is to inspire decision-makers towards building an even stronger culture of safety in their organization.

Target Audience:

Professionals committed to and responsible for Safety
