

Naroji Godrej Centre of
Manufacturing Excellence

Confederation of Indian Industry

3rd EDITION OF CII CONFERENCE ON

WELDING TECHNOLOGY

PRODUCTIVITY IMPROVEMENTS IN
MANUFACTURING/ WELDING PROCESSES

Wednesday, 18 December 2019

Auditorium, 4th Floor, Plant 13 Annexe
Godrej & Boyce Manufacturing Co.Ltd., Vikhroli, Mumbai

Chairman:

Mr Satish M Bhat

Managing Director, Ador Welding Limited

Who Should Attend?

- CEOs and CXOs
- Owners/ Managing Partners/ Senior Partners
- Executive Vice Presidents/ Sr Vice Presidents/ Presidents
- Heads from Fabrication/ Engineering/ Consulting/ Design/ Project Management/ Heavy Welding/ Welding Equipment/ Supplies/ Consumables/ Material Sciences/ Additive Manufacturing
- Scientists and Researchers
- Innovators
- Academia

Registration at the Venue will start at 9. 00 a.m.
The Conference will start at 10.00 a.m.
and continue till 545 p.m

The CII Task Force on Welding Technology is organising the 3rd edition of the Conference on Welding Technology in Mumbai on 8 November 2019. The Conference aims to provide a premier interdisciplinary platform for manufacturers, users, researchers, practitioners and educators to discuss the most recent innovations, trends, and concerns as well as practical challenges encountered, and solutions adopted in the fields of Welding Engineering and Technology.

Sessions on

- Digital Transformation and Advanced Manufacturing/ Welding Process Technology
- Future of Additive Manufacturing and Welding - the way to increase process productivity?
- The Robots are Coming - New Challenges and Opportunities for the Future Workforce?
- How Safe is your Welding?
- Strategies and Plans for making 'Make in India' Successful: The Welding Perspectives
