

Confederation of Indian Industry  
CII Naoorji Godrej Centre of Manufacturing Excellence

## 2<sup>nd</sup> Edition of CII Welding Conference 2017

### Weld 4.0 - Intelligentized Welding in India

Wednesday, 29 November 2017, Plant 13 Annexe, Godrej & Boyce Mfg CO Ltd, Mumbai

Intelligent Manufacturing is a widely developed trend today, with intelligentized welding technology (IWT) having become an active part of intelligent manufacturing. Intelligent Welding Manufacturing (IWM) today deals with information, networking and intelligent technology during the entire process of welding product manufacturing, including a wide range of welding materials, structures, technics, processes, equipment and systems, products and market.

The CII Conference will provide opportunities to showcase and understand the advancements in intelligent technology worldwide in the field of welding, and focus on various inter woven and inter related factors that would help drive the industry forward. The Conference would also discuss the present status of the Indian Welding sector vis-à-vis its peers globally.

#### SUB-THEMES

- ▶ Intelligent Welding for Indian Manufacturing : Looking ahead to Weld 4.0
- ▶ Aligning Innovation to Intelligent Welding
- ▶ Workforce Re-skilling for the 4th Industrial Revolution and the Indian Welding Sector
- ▶ Weld Monitoring, Inspection, Quality Assurance and Safety Considerations : Gearing up for the 'first time' Right

#### CONFERENCE CHAIR

**Mr A Shivkumar**  
Former Chief Executive, EWAC Alloys Limited

#### TARGET AUDIENCE

- CEOs and CXOs
- Owners/Managing Partner/ Senior Partner
- President/Executive Vice President/Sr Vice President
- Heads from Fabrication/ Engineering/Consulting/ Design/Project Management/ Heavy Welding/Welding Equipment/Supplies/ Consumables/Material Sciences/ Additive Manufacturing
- Heads from Construction sector
- Representatives from Academia

#### SPEAKERS INVITED

<b>Jayant D Patil</b> Larsen & Toubro	<b>Shekar Viswanathan</b> Toyota Kirloskar Motor	<b>Prabhu Aggarwal</b> O P Jindal University
<b>R S Thakur</b> TAL Manufacturing Solutions	<b>Raj Singh Rathee</b> KUKA India	<b>Satish Bhat</b> Ador Welding Limited
<b>Rashmi Ranjan Mohapatra</b> Kemppi India	<b>S Sundarram</b> Lincoln Electric	<b>Vishwanath Kamath</b> Fronius India Pvt Ltd.
<b>V S Raja</b> IIT Bombay	<b>M Vasudevan</b> Indira Gandhi Centre for Atomic Research	<b>Toshi Takahashi</b> Panasonic Welding Systems India
<b>Vivek Pathak</b> Hyundai Construction Equipment India Pvt Ltd	<b>G A Soman</b> Don Bosco Maritime Institute	<b>J Krishnan</b> Former Bhabha Atomic Research Centre
<b>Ashok Malage</b> Former Larsen & Toubro	<b>T Sundararajan</b> Wheels India Ltd	<b>Rajeev Gupta</b> Jindal Stainless Steel
